IUCC Meeting:

The State meeting was held Sept. 7th & 8th in Lewiston, the meeting was well attended and had some really good speakers. Most of the discussion was on the temporary rules being approved and how the complaint process was going to work. A couple presentations were given on how locators are trained and ways to improve locating and how to get a process established for certifying locators. The spring 2018 meeting is tentatively planned for the Hailey/Sun Valley area in late April, more to follow.
